Then and Now - Social Change in our Lifetime

During our lifetimes, we have seen a staggering rate of change in virtually every activity and institution we take part in.

In THEN AND NOW, we examine some of these changes with particular relevance to Dunedin and NZ. Our various speakers will take us through time to where we are today on the topics of finance, education, city governance, property ownership, the arts in Dunedin, and the changing attitudes to the care of nature and the land in our city and province.
