The focus of this course is on women in leadership roles, many having led through a time of crisis and all faced the challenges of their times. Talks cover a diverse range of women in many different fields of endeavour, and will demonstrate both contemporary and historical perspectives of leadership. These talks will demonstrate the perseverance, resilience and achievements of women, and illuminate the challenges for women which continue to persist today.

Applications for this course closed on **Thursday 4 February 2021**. You will have received a response to your application by **Monday 15 February 2021**.

Please contact the Programme Secretary courses@u3adunedin.org.nz, phone 467 2594 with any queries.
