<b>Developers</b>	<b>Phyll Esplin</b>
<b>Course fee</b>	\$45 (please do not pay until you receive an invoice)

Ideas and innovations come when there is an opportunity to make a new product or service. Having the idea is one thing but developing it into an actual creation or product is another.

Dunedin has more than its fair share of innovators (or so it seems). The presenters in this course have all followed their ideas, developed and transformed them until they have become successful businesses. Some you have heard of, some you haven't. They all have something in common – they originated in Dunedin.

All applications must be received by **Thursday 6 May 2021**. You will receive a response to your application by Monday 17 May 2021.

Please contact the Programme Secretary [courses@u3adunedin.org.nz](mailto:courses@u3adunedin.org.nz), phone 467 2594 with any queries.
