The **CREATIVE WRITING GROUP** is a very friendly, supportive group of people who enjoy learning to put their thoughts and ideas down on paper, either in narrative or poetry form.

Last year we spent time and revisited the teachings of our local author Kath Beattie for the benefit of our new members. Kath gave of her time when we first began the group, to teach us how to get started with the basics of creative writing. This coming year we plan to expand our expertise and knowledge in all things pertaining to the written word. There is still room for one or two new members so if this is for you please contact Ngaire Bates to secure your place.
