

Title: Home Gardens Group

When the Group meets: Every fourth Thursday

Time: To be arranged for each meeting

Venue: As arranged for each meeting

Convenor: Carole Bezett

Email: carolebezett@gmail.com

We meet on the fourth Thursday of each month. Individual members are responsible for their own safety. Please bring a stick if you are unsure about the terrain. Members will take turns for the responsibility of organising a garden for the group.

You will receive an email by 11am on the morning of the visit if for some reason the visit is to be cancelled (weather? Illness?). Remember to check your emails.

The group is to be kept small - the limit being 12 which allows for people not being able to come.

You are not expected to share your garden. There are plenty of gardens available for visiting. However, input as to gardens of people you know who would be happy to share their garden, would be appreciated.
