

John Borrie Visiting Professor

The Dunedin Basic Medical Sciences Trust is pleased to announce that the John Borrie visiting Professor for 2023 is Dr David Adams from New York. Dr Adams is:

*The Marie-Josée and Henry R Kravis professor and system chairman
Department of Cardiovascular Surgery – Icahn School of Medicine
Mount Sinai Health System*

Cardiac Surgeon-in-chief, Mount Sinai Health System

President of the Mitral Foundation

Program Director – Mitral Valve Repair Centre – Mount Sinai

Dr Adams is visiting New Zealand as a guest of the Trust and is contributing to the annual NZ Cardiac conference with him contributing, amongst other contributions, to the teaching of cardiac surgical trainees.

He is also visiting Dunedin and as part of this visit will be giving a public lecture:

“The Current State of Cardiac Interventions in the USA”

This is to be held in the **Barnett Lecture Theatre, 1st floor Dunedin Hospital at 2pm on Tuesday March 28th**.

You are cordially invited to attend this lecture. Dr Adams is one of the world's leading surgeons and we are extremely honoured to have him visit Dunedin.
