***Please keep this brochure as a reminder of venue, dates, and times for the courses for which you apply.***

# THE INDUSTRIAL REVOLUTION

This course will involve six lectures, mostly presented by members of the academic staff of the University of Otago, on aspects of the social, economic and cultural history of the Industrial Revolution. Presenters will speak to the impact of the revolution on art, the built environment, technology, agriculture, as well as within religion and upon women and the family.

## The Programme

**9 March: The First Industrial Nation: The Peculiar Case of Britain**

*Professor Tom Brooking, Department of History and Art History*

**16 March: Industrial society, family and health**

*Professor Barbara Brookes, Department of History and Art History*

**23 March: Art in the Machine Age**

*Dr Erika Wolf, Department of History and Art History*

**30 March: Religion and the Industrial Revolution**

*Associate Professor John Stenhouse, Department of History and Art History*

**6 April: The industry of building: technology and production in the 19th century  
New Zealand urban environment**
