Off the Beaten Track #3

Presented by various well-travelled U3A members and Dunedin identities

The title says it all! The brief to our speakers is to share their experience of some of the world's out of the way places, and embellish them with their personal likes and dislikes. You will not hear an "If this is Tuesday, it must Paris" travelogue.

The response from members to our previous two courses on this travel theme was both appreciative and positive. From Antarctica to India, South West Africa and on to Europe, our members ride, walk, sail, drift and wonder as they wander. Come and join them.
