The award of a Nobel Prize is the pinnacle in academic achievement. This lecture series will cover the background and content of some of the remaining 2018 and 2019 awards in chemistry, physics, physiology/medicine, literature, economics and peace that were not covered in the June – July Zoom lecture series on this topic. All six speakers are from the University of Otago.

All applications must be received by **Thursday 17 September 2020**. You will receive a response to your application by **Monday 28 September 2020**.

Please contact the Programme Secretary courses@u3adunedin.org.nz, phone 467 2594 with any queries.
