Designing facilities which meet current needs but will still be fit-for-purpose in 2070 is one of the challenges facing the New Dunedin Hospital *Piki te ora* team. Representatives from the Project team will introduce and discuss some of the myriad of issues being incorporated in the developments now taking place in Dunedin. The final session will be a panel discussion giving course attendees an opportunity to ask questions and provide feedback.

All applications must be received by Thursday 5 May 2022. You will receive a response to your application by Monday 16 May 2022.

Please contact the Programme Secretary courses@u3adunedin.org.nz, phone 467 2594 with any queries.
