It would seem that the human condition finds it difficult to escape from conflict, at every level of our experience, from neighbours to nations. It also seems that some times are characterised by more conflict than others and it appears that we are living through one of those times now. In this course experts from branches of academic enquiry at the University of Otago and Victoria University of Wellington will share their knowledge on the sources of conflict and the strategies we might use to moderate and resolve it.

**II applications must be received by Thursday 26 January 2023.** You will receive a response to your application by Monday 6 February 2023.

Please contact the Programme Secretary [courses@u3adunedin.org.nz](mailto:courses@u3adunedin.org.nz), phone 467 2594 with any queries.
