Otago Harbour features prominently in many aspects of life in Dunedin but how much do we really know about it? In this course we will follow its history from volcanic origins through changes to the present day: its waters, plants and creatures; human interactions and management.

All applications must be received by Thursday 27 April 2023. You will receive a response to your application by Monday 8 May 2023.

Please contact the Programme Secretary courses@u3adunedin.org.nz, phone 467 2594 with any queries.
