Contact: Ngaire Bates. Ph: 454 2170 or ngairemichael@gmail.com

Numbers for the **BOOK GROUP** have dwindled over recent months, so new members are needed to remain a viable group. Currently each month we read a book either by a chosen author, or around a chosen subject area – our reading has included books on High Country living, novels set in a specific country, classic novels, autobiographies and poetry. As a group we are open to suggestions from new members for reading material. We also share other books we have read over the month.
