

Title: Photography Group

Facilitator: Joint facilitators': Ngaire Bates and Bill Stanford

When the Group is Held: First Wednesday of the month

Time: 1.30pm

Venue: various

Email: ngairemichael@gmail.com; billstanford9@gmail.com

The photography group is one that is going to be using two disciplines to help make it viable all year round. When the weather is warm and dry, we will be out and about photographing sights/things at a pre-arranged destination.

When the weather is inclement, we will adjourn to a member's home; and using our own computers, attempt to learn from each other about how to manipulate photos using Lightroom and Photoshop.

New members welcome!
