This group welcomes singers and potential singers of any level of experience. It's a chance to get together and try out songs from various musical genres and enjoy singing together. You don't have to be able to read music, and there's no audition. There will be a small charge of about \$4 per session to cover hall hire.

We have an informal and friendly singing environment and new members are welcome.

Claire currently leads two community choirs and is actively involved as a singer or accompanist in two other groups.
