Phone: 03 482 1651 or 027 227 2240

Do you like visiting other people's gardens and hearing the story behind their development and the love and work that went into making them a place to enjoy and grow things? This is the group for you.

We will also have a practical focus on gardening skills such as pruning, propagating and composting. Visits to community gardens and country gardens will also be programmed.

A great opportunity to swap plants, knowledge and ideas.
